

Prospectus Supplement  
(to Prospectus dated March 21, 2023)

430,000 Common Units consisting of shares of Common Stock and a Common Warrant and

5,570,000 Pre-Funded Units consisting of Pre-Funded Warrants and a Common Warrant (and 5,570,000 shares of Common Stock underlying the Pre-Funded Warrants)

Up to 6,000,000 shares of Common Stock underlying the Common Warrants

We are offering 430,000 Common Units at a public offering price of \$2.00 per Common Unit. Each Common Unit consists of one share of our common stock and one common warrant to purchase one share of our common stock at an exercise price of \$2.00 per share (or 100% of the price of each Common Unit sold in the offering), which will expire on the five-year anniversary of the issuance date (the “Common Warrants”).

We are also offering to those purchasers, if any, whose purchase of Common Units in this offering would otherwise result in such purchaser, together with its affiliates and certain related parties, beneficially owning more than 4.99% (or, at the election of the purchaser, 9.99%) of our outstanding shares of common stock immediately following the consummation of this offering, the opportunity to purchase, if any such purchaser so chooses, 5,570,000 Pre-Funded Units, in lieu of Common Units that would otherwise result in such purchaser’s beneficial ownership exceeding 4.99% (or, at the election of the purchaser, 9.99%) of our outstanding shares of common stock. Each Pre-Funded Unit consists of one pre-funded warrant (“Pre-Funded Warrant”) to purchase one share of our common stock and one Common Warrant. The purchase price of each Pre-Funded Unit is \$1.99999 (which is equal to the public offering price per Common Unit to be sold in this offering minus \$0.00001). The Pre-Funded Warrants are immediately exercisable and may be exercised at any time until all of the Pre-Funded Warrants are exercised in full. For each Pre-Funded Unit we sell, the number of Common Units we are offering will be decreased on a one-for-one basis.

Our common stock is listed on The Nasdaq Capital Market, or Nasdaq, under the symbol “VLCN.” On February 4, 2025, the last reported sale price of our common stock on Nasdaq was \$3.21 per share. There is no established trading market for the Common Warrants and we do not expect a market to develop. We do not intend to list the Pre-Funded Warrants or the Common Warrants on the Nasdaq Capital Market, any other national securities exchange or any other nationally recognized trading system.

Investing in our securities involves a high degree of risk. See “[Risk Factors](#)” beginning on page S-7 of this prospectus supplement and the risk factors incorporated by reference into this prospectus supplement and the accompanying prospectus.

### Our Company

We are an all-electric, off-road powersports vehicle company developing electric two and four-wheel motorcycles and utility terrain vehicles, or UTVs, also known as side-by-sides, along with a complete line of upgrades and accessories. In October 2020, we began building and testing prototypes for our future offerings with two off-road motorcycles – the Grunt and the Runt. Our motorcycles feature unique frame designs protected by design patents. Additional utility and design patents have been filed for other aspects of Volcon’s vehicles.

### Recent Developments

#### Distribution Agreement

On January 31, 2025, the Company entered into a Distribution Agreement (the “Distribution Agreement”) with Super Sonic Company Limited (“Manufacturer”). Pursuant to the terms of the Distribution Agreement, the Manufacturer appointed the Company to act as Manufacturer’s exclusive distributor of certain of the Manufacturer’s golf cart products (the “Products”), in the United States. Pursuant to the Distribution Agreement, the Manufacturer agreed to recommend to all customers the sole use of the Company for all Products. Notwithstanding the foregoing, the Manufacturer has the right to sell non-Volcon branded products to other customers, provided that Manufacturer shall pay 5% of the order price to the Company. Before the end of June 2025, the Manufacturer and the Company will agree to a procurement plan, and if the Company fails to meet the minimum purchase requirement described in the procurement plan for two consecutive months, the Manufacturer shall have the right to immediately terminate the Distribution Agreement. During the term of the Distribution Agreement, to the extent the Company sells any Volcon-branded products (the “Volcon Products”) that are similar to the Products, the Company agrees to provide the Manufacturer with a right of first refusal to manufacture Volcon Products.

Pursuant to the Distribution Agreement, at the end of each calendar quarter, the Company agreed to issue the Manufacturer shares of Company common stock based on the number of Product units (the “Units”) ordered by the Company during the quarter as follows: for each 1,000 Units Ordered in 2025 by the Company and produced by the Manufacturer (including any products referred to the Company by the Manufacturer), the Company shall issue the Manufacturer a number of shares equal to 1% of the Company’s outstanding shares of common stock (the “Consideration Shares”) as of the last day of such quarter that the 1,000 Units were ordered for no additional consideration, in addition to making full payment for all Units ordered. The requirement to issue the Consideration Shares shall cease on the anniversary of the parties’ confirmation of the procurement plan or upon the sale of 7,000 Units, whichever comes first. Notwithstanding the foregoing, to the extent the issuance of the Consideration Shares shall require shareholder approval pursuant to the rules of the Nasdaq Stock Market, such issuances shall be subject to the receipt of such shareholder approval and the Company agrees to seek such approval within three months of the determination that the approval is required. If, for any reason, the Company fails to issue such shares to the Manufacturer, the Manufacturer is entitled to compensatory damages in the amount equal to the value of the Consideration Shares that should have been issued to the Manufacturer in that quarter (determined by the closing stock price on the last of that quarter), and to immediately terminate the Distribution Agreement.

Pursuant to the Distribution Agreement, on or before February 1, 2026, the Manufacturer will also be provided a two-year warrant (the “Consideration Warrant”) to purchase up to 10% of the Company’s outstanding shares of common stock exercisable if, as of February 1, 2026, 10,000 Units are ordered (the “Order Date”). The exercise price of the warrant will be equal to 90% of the Company’s closing stock price on such date. Notwithstanding the foregoing, to the extent the issuance of the Consideration Warrant shall require shareholder approval pursuant to the rules of the Nasdaq Stock Market, such issuance shall be subject to the receipt of such shareholder approval and the Company agrees to seek such approval within three months of the determination that the approval is required. If, for any reason, the Company fails to issue the Consideration Warrant or fails to fulfill the Manufacturer’s request to exercise the Consideration Warrant, the Manufacturer is entitled to compensatory damages in the amount equal to 10% of the value of the shares that would have been purchased by Manufacturer under the Consideration Warrant, and to immediately terminate the Distribution Agreement.

S-2

Pursuant to the Distribution Agreement, if the Company orders over 10,000 Units in 2025 (including any products referred to the Company by the Manufacturer), on or before February 1, 2026, the Company will provide a board seat to the Manufacturer, subject to Board and shareholder approvals of the director.

The term of the Distribution Agreement is for one year, which can be extended for additional one-year periods by the parties. The Agreement may be terminated immediately by either party in the event of a breach of the Distribution Agreement by the other party, or by either party if the other party: (i) becomes insolvent or bankrupt, becomes unable to pay its debts as they fall due, or files a petition for voluntary or involuntary bankruptcy or under any other insolvency law; (ii) makes or seeks to make a general assignment for the benefit of its creditors, seeks reorganization, winding-up, liquidation, dissolution, or other similar relief with respect to it or its debts; or (iii) applies for, or consents to, the appointment of a trustee, receiver, or custodian for a substantial part of its property.

#### Settlement Agreement

On December 6, 2024, the Company entered into a Settlement Agreement and Mutual Release (“Agreement”) with GLV Ventures (“GLV”) pursuant to which the Company and GLV agreed to terminate the Supplier Agreement dated March 11, 2022 for the development and engineering of the Volcon Stag vehicle prototypes; the Supplier Agreement dated May 29, 2022 for the manufacturing of the Volcon Grunt EVO motorcycle; and the Supplier Agreement dated August 11, 2022 for the manufacturing of the Volcon Stag vehicle (collectively, the “Supplier Agreements”). Pursuant to the Agreement, among other items, the Company and GLV agreed to indemnify each other with respect to certain outstanding vendor payables and the Company agreed to pay GLV a termination fee of \$125,000 per month for a period of twenty-two months.

#### Director Appointment

On December 5, 2024, the Company’s Board of Directors agreed to appoint Orn Olason as an independent member of the Company’s Board of Directors. Mr. Olason will participate in the Company’s standard compensation program for non-employee directors, which provides for an annual cash fee of \$50,000. Mr. Olason will also receive an option to purchase shares of Company common stock valued at \$100,000 using a Black-Scholes model calculation vesting over one year, subject to the approval by the Company’s shareholders of an increase in the number of shares available for issuance under the Volcon 2021 Stock Plan.

#### Reverse Split Fractional Shares

On November 8, 2024, the Company completed a one-for-eight reverse stock split of its common stock. In connection with the approval of the reverse stock split, the Company agreed that no fractional shares will be issued in connection with the reverse stock split and that it would issue one full share of the post-reverse stock split common stock to any stockholder who would have been entitled to receive a fractional share as a result of the process. On November 19, 2024, the Company received notice from DTCC on behalf of the brokerage firms that hold the shares of Company common stock held in “street name” that in connection with the foregoing rounding of shares the Company would need to issue 188,950 shares of common stock. The Company does not believe the number of shares being requested is correct based on the historical number of

shareholders of its common stock and is aware of similar occurrences in recent months for other companies completing a reverse stock split. As such, the Company has begun an inquiry into the calculations set forth in the request. During the pendency of this inquiry, the Company does not intend to issue any shares in connection with the fractional shares being requested. The Company may face potential liability for its failure to issue the shares of common stock if it is determined that it is required to issue such shares.

### **ATM Offering**

On October 18, 2024, the Company entered into an At-The-Market Issuance Sales Agreement (the “ATM Agreement”) with Aegis. Pursuant to the terms of the ATM Agreement, the Company may sell from time to time through Aegis, as sales agent and/or principal, shares of the Company’s common stock with an aggregate sales price of up to \$100 million (the “ATM Shares”). Under the ATM Agreement, the Company may offer and sell ATM Shares through Aegis acting as sales agent and/or principal. Upon delivery of a placement notice and subject to the terms and conditions of the ATM Agreement, Aegis is required to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such ATM Shares from time to time based upon the Company’s instructions, including with regard to the number of shares to be sold, and otherwise in accordance with the terms of such Placement Notice. Subject to the terms of the Placement Notice, Aegis may sell the ATM Shares by any method permitted by law deemed to be an “at the market” offering as defined in Rule 415(a)(4) of the Securities Act, including sales made directly on the Nasdaq Capital Market or on any other existing trading market or directly to Aegis as principal in negotiated transactions for the ATM Shares or to or through a market maker. Subject to the terms of a Placement Notice, Aegis may also sell ATM Shares by any other method permitted by law, including in privately negotiated transactions, with the Company’s consent. The Company or Aegis, under certain circumstances and upon notice to the other, may suspend the offering of the ATM Shares under the ATM Agreement.

Aegis will be paid a commission of 3.5% of the gross proceeds of the sale of the ATM Shares sold pursuant the ATM Agreement. In addition, the Company has agreed to reimburse Aegis for its reasonable and documented out-of-pocket expenses (including but not limited to the reasonable and documented fees and expenses of its legal counsel) in an amount equal to \$75,000. The Company has also agreed to indemnify Aegis against certain liabilities.

The Company is not obligated to make any sales under the ATM Agreement, and any sales depend on market conditions and the Company’s capital needs. Unless earlier terminated by either the Company or Aegis in accordance with the terms of the ATM Agreement, the agreement will terminate earlier to occur of: (i) the eighteen-month anniversary of the ATM Agreement or (ii) upon the sale of shares in an aggregate amount specified in the ATM Agreement.

Subsequent to the filing of the Company’s Form 10-Q for the quarter ended September 30, 2024, the Company has sold 1,831,558 shares of common stock pursuant to its ATM Agreement. As of February 5, 2025, the Company has 2,475,607 shares of common stock outstanding.

### Risk Factors

*An investment in our securities involves risks. We urge you to consider carefully the risks described below, and in the documents incorporated by reference in this prospectus supplement and the accompanying prospectus, before making an investment decision, including those risks identified under “Item IA. Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2023, which is incorporated by reference in this prospectus supplement and which may be amended, supplemented or superseded from time to time by other reports that we subsequently file with the SEC. If any of these risks actually occurs, our business, financial condition, results of operations or cash flow could be seriously harmed. This could cause the trading price of our common stock to decline, resulting in a loss of all or part of your investment. Please also read carefully the section below entitled [“Cautionary Note Regarding Forward-Looking Statements”](#).*

#### **Risks Related to this Offering**

**We have in the past failed to maintain compliance with all applicable continued listing requirements of the Nasdaq Capital Market, and if we fail to maintain compliance with all applicable continued listing requirements of the Nasdaq Capital Market in the future, we will not be afforded traditional cure periods under Nasdaq rules and our common stock will be delisted from Nasdaq, which could have an adverse impact on the liquidity and market price of our common stock.**

On December 19, 2023, we were notified by the Listing Qualifications Department (the “Staff”) of the Nasdaq Stock Market (“Nasdaq”) that we were not in compliance with Nasdaq’s Listing Rule 5550(a)(2), as the minimum bid price of our common stock had been below \$1.00 per share for 30 consecutive business days. On January 4, 2024, the Staff notified us that the market value of our listed securities had been below the minimum \$35,000,000 required for continued listing as set forth in Nasdaq’s Listing Rule 5550(b)(2) for the previous 180 calendar days and served as an additional basis for delisting.

We submitted a hearing request to Nasdaq’s Hearings Department, which stayed the suspension of our common stock. The hearing was held on March 26, 2024. On April 2, 2024, we received notification from the Nasdaq Hearings Panel (“Panel”) that it had granted an extension until June 24, 2024, to demonstrate compliance with Listing Rules 5550(a)(2) and 5550(b)(1) (which requires at least \$2.5 million in shareholders’ equity), subject to certain conditions.

On July 17, 2024, we received a letter from the Nasdaq Office of General Counsel confirming the decision of the Panel that we had demonstrated compliance with the requirements for continued listing on The Nasdaq Capital Market, but that we will be subject to a Discretionary Panel Monitor for a period of one year. As such, in the event that we have another deficiency or deficiencies, we will immediately go back into Nasdaq’s hearings process. In the event that the Nasdaq Hearings Department does not grant us an extension to demonstrate compliance our common stock would be delisted from Nasdaq and trading of our common stock could be conducted only in the over-the-counter market or on an electronic bulletin board established for unlisted securities such as the Pink Sheets or the OTC Bulletin Board. In such an event, it could become more difficult to dispose of, or obtain accurate price quotations for, our common stock, and there would likely also be a reduction in our coverage by securities analysts and the news media, which could cause the price of our common stock to decline further. Also, it may be difficult for us to raise additional capital if we are not listed on a major exchange.

**We may be required to issue up to 188,950 shares of common stock in connection with the reverse stock split we completed on November 8, 2024 and we may be subject to potential liability if it is determined that we are required to issue such shares and we fail to issue such shares on a timely basis.**

On November 8, 2024, we completed a one-for-eight reverse stock split of our common stock. In connection with the approval of the reverse stock split, we agreed that no fractional shares will be issued in connection with the reverse stock split and that we would issue one full share of the post-reverse stock split common stock to any shareholder who would have been entitled to receive a fractional share as a result of the process. On November 19, 2024, we received notice from the DTCC on behalf of the brokerage

firms that hold the shares of our common stock held in “street name” that in connection with the foregoing rounding of shares we would need to issue 188,950 shares of common stock. We do not believe the number of shares being requested is correct based on the historical number of shareholders of our common stock and are aware of similar occurrences in recent months for other companies completing a reverse stock split. As such, we have begun an inquiry into the calculations set forth in the request. During the pendency of this inquiry, we do not intend to issue any shares in connection with the fractional shares being requested. We may face potential liability for our failure to issue the shares of common stock if it is determined that we are required to issue such shares.

**Our management will have broad discretion over the use of the net proceeds from this offering, you may not agree with how we use the proceeds, and the proceeds may not be invested successfully.**

Our management will have broad discretion in the application of the net proceeds from this offering, and our stockholders will not have the opportunity as part of their investment decision to assess whether the net proceeds are being used appropriately. Because of the number and variability of factors that will determine our use of the net proceeds from this offering, their ultimate use may vary substantially from their currently intended use. The failure by our management to apply these funds effectively could harm our business. See “[Use of Proceeds](#)” on page S-11 of this prospectus supplement for a description of our proposed use of proceeds from this offering.

**We do not intend to pay dividends in the foreseeable future.**

We have never paid cash dividends on our common stock and currently do not plan to pay any cash dividends in the foreseeable future.

---

S-8

**Holders of warrants purchased in this offering will have no rights as common stockholders until such holders exercise their warrants and acquire our common stock.**

Until holders of Common Warrants and Pre-Funded Warrants acquire shares of our common stock upon exercise thereof, such holders will have no rights with respect to the shares of our common stock underlying the Common Warrants and Pre-Funded Warrants, respectively. Upon exercise of the Common Warrants and Pre-Funded Warrants, the holders will be entitled to exercise the rights of a common stockholder only as to matters for which the record date occurs after the exercise date.

**The Common Warrants are speculative in nature.**

The Common Warrants offered hereby do not confer any rights of share of common stock ownership on their holders, such as voting rights or the right to receive dividends, but rather merely represent the right to acquire shares of common stock at a fixed price. Following this offering, the market value of the Common Warrants is uncertain and there can be no assurance that the market value of the Common Warrants will equal or exceed their respective public offering prices. There can be no assurance that the market price of the shares of common stock will ever equal or exceed the exercise price of the Common Warrants, and consequently, whether it will ever be profitable for holders of Common Warrants to exercise the Common Warrants.

**We may be required to repurchase the Common Warrants and Pre-Funded Warrants upon a fundamental transaction, which may prevent or deter a third party from acquiring us.**

The Common Warrants and Pre-Funded Warrants provide that in the event of a “Fundamental Transaction” (as defined in the related warrant agreement, which generally includes any merger with another entity, the sale, transfer or other disposition of all or substantially all of our assets to another entity, or the acquisition by a person of more than 50% of our common stock), each warrant holder will have the right at any time prior to the consummation of the Fundamental Transaction to require us to repurchase the Common Warrant and Pre-Funded Warrants for a purchase price in cash equal to the Black-Scholes value (as calculated under the warrant agreement) of the then remaining unexercised portion of such Common Warrant and Pre-Funded Warrants on the date of such Fundamental Transaction, which may materially adversely affect our financial condition and/or results of operations and may prevent or deter a third party from acquiring us.

#### **Use of Proceeds**

We estimate the net proceeds from this offering will be approximately \$10.7 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by us, and excluding the proceeds, if any, from the cash exercise of the Common Warrants sold in this offering.

We will only receive additional proceeds from the exercise of the Common Warrants if the Common Warrants are exercised and the holders of such Common Warrants pay the exercise price in cash upon such exercise and do not utilize the cashless exercise provision of the Common Warrants, if applicable.

We intend to use the net proceeds from this offering for working capital and general corporate purposes. This represents our best estimate of the manner in which we will use the net proceeds we receive from this offering based upon the current status of our business, but we have not reserved or allocated amounts for specific purposes and we cannot specify with certainty how or when we will use any of the net proceeds. Amounts and timing of our actual expenditures will depend on numerous factors. Our management will have broad discretion in applying the net proceeds from this offering.

Pending application of the net proceeds as described above, we intend to invest the proceeds to us in investment-grade, interest-bearing securities such as money market funds, certificates of deposit, or direct or guaranteed obligations of the U.S. government, or hold as cash. We cannot predict whether the proceeds invested will yield a favorable, or any, return.

#### **Dividend Policy**

We have never declared or paid any cash dividends on our capital stock, and we do not currently intend to pay any cash dividends on our common stock for the foreseeable future. We expect to retain future earnings, if any, to fund the development and growth of our business. Any future determination to pay dividends on our common stock will be at the discretion of our board of directors and will depend upon, among other factors, our results of operations, financial condition, capital requirements and any contractual restrictions.

#### **Description Of The Securities We Are Offering**

The following description of our common stock summarizes the material terms and provisions thereof, including the material terms of the common stock we are offering under this prospectus supplement and the accompanying prospectus.

##### **Common Stock**

The material terms and provisions of our common stock are described under the caption “Description of Common Stock” of the accompanying prospectus.

##### **Warrants**

The following description summarizes certain terms of the Common Warrant and the Pre-Funded Warrant included in this offering. This summary does not purport to be complete and is qualified in its entirety by the provisions of the Common Warrant and the Pre-Funded Warrant, copies of which are filed with the SEC as exhibits to the Form 8-K filed on the date hereof.

We are offering (i) Common Units, each unit consisting of one share of our common stock and one Common Warrant to purchase one share of our common stock, and/or (ii) Pre-Funded Units, consisting of one Pre-Funded Warrant to purchase one share of our common stock and one Common Warrant to purchase one share of our common stock.

Each share of common stock and/or Pre-Funded Warrant and accompanying Common Warrant included in each unit will be immediately separable upon issuance and will be issued separately. The units will not be issued or certificated. We are also registering the shares of common stock included in the Common Units, the shares of common stock issuable upon exercise of the Pre-Funded Warrants and the shares of common stock issuable from time to time upon exercise of the Pre-Funded Warrants and the Common Warrants included in the units offered hereby.

## Common Warrants

The following description of the Common Warrants we are offering is a summary and is qualified in its entirety by reference to the provisions of the Common Warrants, the form of which is filed as an exhibit to the Form 8-K filed on the date hereof.

### *Duration and Exercise Price.*

Each Common Warrant offered hereby will have an initial exercise price per share equal to \$2.00. The 6,000,000 Common Warrants are immediately exercisable and will expire on the five-year anniversary of the original issuance date.

The exercise price and number of shares of common stock issuable upon exercise of the Common Warrants is subject to appropriate adjustment in the event of stock dividends, stock splits, reorganizations or similar events affecting our shares of common stock and the exercise price.

---

S-13

### *Exercisability.*

The Common Warrants are exercisable, at the option of the holder, in whole or in part, by delivering to us a duly executed exercise notice accompanied by payment in full for the number of shares of common stock purchased upon such exercise (except in the case of a cashless exercise, as discussed below). A holder (together with its affiliates) may not exercise any portion of the Common Warrants to the extent that the holder would own more than 4.99% (or, at the election of the holder, 9.99%) of the outstanding shares of common stock immediately after exercise. However, upon notice from the holder to us, the holder may decrease or increase the holder's beneficial ownership limitation, which may not exceed 9.99% of the number of outstanding shares of common stock immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Common Warrants, provided that any increase in the beneficial ownership limitation will not take effect until 61 days following notice to us. Purchasers in this offering may also elect, prior to the issuance of the Common Warrants, to have the initial exercise limitation set at 9.99% of our outstanding shares of common stock. No fractional shares will be issued in connection with the exercise of a Common Warrant. In lieu of fractional shares, we will either pay the holder an amount in cash equal to the fractional amount multiplied by the exercise price or round up to the next whole share.

### *Cashless Exercise.*

If at the time a holder exercises its Common Warrants, a registration statement registering the issuance of the shares of common stock underlying the Common Warrants under the Securities Act is not then effective or available and an exemption from registration under the Securities Act is not available for the issuance of such shares, then in lieu of making the cash payment otherwise contemplated to be made to us upon such exercise in payment of the aggregate exercise price, the holder may elect instead to receive upon such exercise (either in whole or in part) the net number of shares of common stock determined according to a formula set forth in the Common Warrants.

### *Transferability.*

Subject to applicable laws, a Common Warrant may be transferred at the option of the holder upon surrender of the Common Warrant to us together with the appropriate instruments of transfer.

### *Exchange Listing.*

There is no trading market available for the Common Warrants on any securities exchange or nationally recognized trading system. We do not intend to list the Common Warrants on any securities exchange or nationally recognized trading system.

### *Right as a Stockholder.*

Except as otherwise provided in the Common Warrants or by virtue of such holder's ownership of our shares of common stock, the holders of the Common Warrants do not have the rights or privileges of holders of our shares of common stock, including any voting rights, until the holder exercises their Common Warrants.

### *Fundamental Transaction.*

In the event of a fundamental transaction, as described in the Common Warrants and generally including any reorganization, recapitalization or reclassification of our shares of common stock, the sale, transfer or other disposition of all or substantially all of our properties or assets, our consolidation or merger with or into another person, the acquisition of more than 50% of our outstanding shares of common stock, or any person or group becoming the beneficial owner of more than 50% of the voting power represented by our outstanding shares of common stock, the holders of the Common Warrants will be entitled to receive upon exercise of the Common Warrants the kind and amount of securities, cash or other property that the holders would have received had they exercised the Common Warrants immediately prior to such fundamental transaction. Additionally, as more fully described in the Common Warrants, in the event of certain fundamental transactions, the holders of the Common Warrants will be entitled to receive consideration in an amount equal to the Black Scholes value of the Common Warrants on the date of consummation of the transaction.

## Pre-Funded Warrants

The following description of the Pre-Funded Warrants we are offering is a summary and is qualified in its entirety by reference to the provisions of the Pre-Funded Warrants, the form of which is filed as an exhibit to the Form 8-K filed on the date hereof.

### *Duration and Exercise Price.*

Each Pre-Funded Warrant is exercisable for one share of our common stock, with an exercise price equal to \$0.00001 per share, at any time that the Pre-Funded Warrant is outstanding. There is no expiration date for the Pre-Funded Warrants. The holder of a Pre-Funded Warrant will not be deemed a holder of our underlying common stock until the Pre-Funded Warrant is exercised.

The exercise price and the number of shares of common stock issuable upon exercise of the Pre-Funded Warrants is subject to appropriate adjustment in the event of recapitalization events, stock dividends, stock splits, stock combinations, reclassifications, reorganizations or similar events affecting our common stock.

The term “pre-funded” refers to the fact that the purchase price of our common stock in this offering includes almost the entire exercise price that will be paid under the Pre-Funded Warrants, except for a nominal remaining exercise price of \$0.00001. The purpose of the Pre-Funded Warrants is to enable investors that may have restrictions on their ability to beneficially own more than 4.99% (or, upon election of the holder, 9.99%) of our outstanding common stock following the consummation of this offering the opportunity to make an investment in us without triggering their ownership restrictions, by receiving Pre-Funded Warrants in lieu of our common stock which would result in such ownership of more than 4.99% (or 9.99%), and receive the ability to exercise their option to purchase the shares underlying the Pre-Funded Warrants at such nominal price at a later date.

*Exercisability.*

The Pre-Funded Warrants are exercisable at any time, at the option of the holder, in whole or in part, by delivering to us a duly executed exercise notice accompanied by payment in full for the number of shares of common stock purchased upon such exercise (except in the case of a cashless exercise, as discussed below). A holder (together with its affiliates) may not exercise any portion of the Pre-Funded Warrants to the extent that the holder would own more than 4.99% (or, at the election of the holder, 9.99%) of the outstanding shares of common stock immediately after exercise. However, upon notice from the holder to us, the holder may decrease or increase the holder’s beneficial ownership limitation, which may not exceed 9.99% of the number of outstanding shares of common stock immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Pre-Funded Warrants, provided that any increase in the beneficial ownership limitation will not take effect until 61 days following notice to us. Purchasers in this offering may also elect, prior to the issuance of the Pre-Funded Warrants, to have the initial exercise limitation set at 9.99% of our outstanding shares of common stock. No fractional shares will be issued in connection with the exercise of a Pre-Funded Warrant. In lieu of fractional shares, we will either pay the holder an amount in cash equal to the fractional amount multiplied by the exercise price or round up to the next whole share.

*Cashless Exercise.*

If at the time a holder exercises its Pre-Funded Warrants, a registration statement registering the issuance of the shares of common stock underlying the Pre-Funded Warrants under the Securities Act is not then effective or available and an exemption from registration under the Securities Act is not available for the issuance of such shares, then in lieu of making the cash payment otherwise contemplated to be made to us upon such exercise in payment of the aggregate exercise price, the holder may elect instead to receive upon such exercise (either in whole or in part) the net number of shares of common stock determined according to a formula set forth in the Pre-Funded Warrants.

---

S-15

---

*Transferability.*

Subject to applicable laws, a Pre-Funded Warrant may be transferred at the option of the holder upon surrender of the Pre-Funded Warrant to us together with the appropriate instruments of transfer.

*Exchange Listing.*

There is no trading market available for the Pre-Funded Warrants on any securities exchange or nationally recognized trading system. We do not intend to list the Pre-Funded Warrants on any securities exchange or nationally recognized trading system.

*Right as a Stockholder.*

Except as otherwise provided in the Pre-Funded Warrants or by virtue of such holder’s ownership of our shares of common stock, the holders of the Pre-Funded Warrants do not have the rights or privileges of holders of our shares of common stock, including any voting rights, until the holder exercises their Pre-Funded Warrants.

*Fundamental Transaction.*

In the event of a fundamental transaction, as described in the Pre-Funded Warrants and generally including any reorganization, recapitalization or reclassification of our shares of common stock, the sale, transfer or other disposition of all or substantially all of our properties or assets, our consolidation or merger with or into another person, the acquisition of more than 50% of our outstanding shares of common stock, or any person or group becoming the beneficial owner of more than 50% of the voting power represented by our outstanding shares of common stock, the holders of the Pre-Funded Warrants will be entitled to receive upon exercise of the Pre-Funded Warrants the kind and amount of securities, cash or other property that the holders would have received had they exercised the Pre-Funded Warrants immediately prior to such fundamental transaction. Additionally, as more fully described in the Pre-Funded Warrants, in the event of certain fundamental transactions, the holders of the Pre-Funded Warrants will be entitled to receive consideration in an amount equal to the Black Scholes value of the Pre-Funded Warrants on the date of consummation of the transaction.

## UNDERWRITING

Aegis Capital Corp. (“Aegis” or the “underwriter”) is the underwriter and the sole book-running manager of this offering. Under the terms of an underwriting agreement, which is filed as an exhibit to the registration statement, we have agreed to sell to the underwriter and the underwriter has agreed to purchase, at the public offering price less the underwriting discounts and commissions set forth on the cover page of this prospectus, the following number of Common Units and/or Pre-Funded Units (together, “Units”):

<b>Underwriter</b>	<b>Number of Units</b>
Aegis Capital Corp.	6,000,000

The underwriting agreement provides that the underwriter’s obligation to purchase Units depends on the satisfaction of the conditions contained in the underwriting agreement including:

- the representations and warranties made by us to the underwriter are true;
- there is no material change in our business or the financial markets; and
- we deliver customary closing documents to the underwriter.

The underwriter has agreed to purchase all of the Units offered by this prospectus, if any are purchased under the underwriting agreement.

The underwriter is offering the Units subject to various conditions and may reject all or part of any order. The underwriter has advised us that it proposes to offer the units

directly to the public at the public offering price per Unit that appears on the cover page of this prospectus. In addition, the representative may offer some of the Units to other securities dealers at such price less a concession of \$0.08 per Unit. After the Units are released for sale to the public, the representative may change the offering price and other selling terms at various times.

### Underwriting Discounts and Expenses

The following table shows the per Unit and total underwriting discounts we will pay to Aegis.

	Per Unit	Total (2)
Public offering price	\$ 2.00	\$ 1.99999
Underwriting discounts to be paid by us (8.0%)	\$ (0.16)	\$ (0.159999)
Non-accountable expense allowance (1.0%)(1)	\$ (0.02)	\$ (0.019999)
Proceeds before expenses, to us	<u>\$ 1.82</u>	<u>\$ 1.81999</u>

(1) We have agreed to an underwriting discount equal to 8.0% of the gross proceeds received in this offering and have agreed to pay a non-accountable expense allowance to Aegis equal to 1.0% of the gross proceeds received in this offering.

(2) Assumes exercise for Units only.

We have also agreed to reimburse the underwriter for certain of its expenses, including “roadshow,” diligence, and reasonable legal fees and disbursements, in an amount not to exceed \$125,000 in the aggregate. We estimate that the total expenses of the offering payable by us, excluding underwriting discounts, will be approximately \$220,000.

S-17

### Stabilization

In accordance with Regulation M under the Exchange Act, the underwriter may engage in activities that stabilize, maintain or otherwise affect the price of our Common Stock, including short sales and purchases to cover positions created by short positions, stabilizing transactions, syndicate covering transactions, penalty bids and passive market making.

- Short positions involve sales by the underwriter of shares of Common Stock in excess of the number of shares the underwriter is obligated to purchase, which creates a syndicate short position. The short position may be either a covered short position or a naked short position. In a covered short position, the number of shares involved in the sales made by the underwriter in excess of the number of shares they are obligated to purchase is not greater than the number of shares that they may purchase by exercising their option to purchase additional shares. In a naked short position, the number of shares involved is greater than the number of shares in their option to purchase additional shares. The underwriter may close out any short position by either exercising their option to purchase additional shares or purchasing shares in the open market.
- Stabilizing transactions permit bids to purchase the underlying security as long as the stabilizing bids do not exceed a specific maximum price.
- Syndicate covering transactions involve purchases of our shares of Common Stock in the open market after the distribution has been completed to cover syndicate short positions. In determining the source of shares to close out the short position, the underwriter will consider, among other things, the price of shares available for purchase in the open market as compared to the price at which they may purchase shares through the underwriter’s option to purchase additional shares. If the underwriter sells more shares than could be covered by the underwriter’s option to purchase additional shares, thereby creating a naked short position, the position can only be closed out by buying shares in the open market. A naked short position is more likely to be created if the underwriter is concerned that there could be downward pressure on the price of the shares in the open market after pricing that could adversely affect investors who purchase in the offering.
- Penalty bids permit the representative to reclaim a selling concession from a syndicate member when the shares of Common Stock originally sold by the syndicate member is purchased in a stabilizing or syndicate covering transaction to cover syndicate short positions.
- In passive market making, market makers in our Common Stock who are underwriters or prospective underwriters may, subject to limitations, make bids for or purchase our Common Stock until the time, if any, at which a stabilizing bid is made.

These activities may have the effect of raising or maintaining the market price of our Common Stock or preventing or retarding a decline in the market price of our Common Stock. As a result of these activities, the price of our Common Stock may be higher than the price that might otherwise exist in the open market. These transactions may be effected on NASDAQ or otherwise and, if commenced, may be discontinued at any time.

Neither we nor the underwriter makes any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of our Common Stock. In addition, neither we nor the underwriter makes any representation that Aegis will engage in these stabilizing transactions or that any transaction, once commenced, will not be discontinued without notice.

### Discretionary Accounts

The underwriter has informed us that they do not expect to make sales to accounts over which they exercise discretionary authority in excess of five percent (5%) of the securities being offered in this offering.

### Indemnification

We have agreed to indemnify Aegis, its affiliates, and each person controlling Aegis against any losses, claims, damages, judgments, assessments, costs, and other liabilities, as the same are incurred (including the reasonable fees and expenses of counsel), relating to or arising out of the offering, undertaken in good faith.

S-18

### Lock-Up Agreements

Pursuant to certain “lock-up” agreements, our executive officers, directors, employees and holders of at least 10% of our Company’s Common Stock and securities exercisable for or convertible into its Common Stock outstanding immediately upon the closing of this offering, have agreed, subject to certain exceptions, not to offer, sell, assign, transfer, pledge, contract to sell, or otherwise dispose of or announce the intention to otherwise dispose of, or enter into any swap, hedge or similar agreement or arrangement that transfers, in whole or in part, the economic risk of ownership of, directly or indirectly, engage in any short selling of any shares of Common Stock or securities convertible into or exchangeable or exercisable for any shares of Common Stock (“Lock-Up Securities”), whether currently owned or subsequently acquired, without the prior written consent of the underwriter, for a period of ninety (90) days after the closing date of the offering.

The underwriter, in its sole discretion, may release the Common Stock and other securities subject to the lock-up agreements described above in whole or in part at any time. When determining whether or not to release Common Stock and other securities from lock-up agreements, the underwriter will consider, among other factors, the holder's reasons for requesting the release, the number of shares of Common Stock and other securities for which the release is being requested and market conditions at the time.

### **Company Standstill**

We have agreed, for a period of one hundred twenty (120) days after the closing date of the offering (the "Standstill Period"), that without the prior written consent of Aegis, we will not (a) offer, sell, issue, or otherwise transfer or dispose of, directly or indirectly, any equity of our Company or any securities convertible into or exercisable or exchangeable for equity of our Company; (b) file or caused to be filed any registration statement with the Commission relating to the offering of any equity of our Company or any securities convertible into or exercisable or exchangeable for equity of our Company; or (c) enter into any agreement or announce the intention to effect any of the actions described in subsections (a) or (b) hereof (all of such matters, the "Standstill Restrictions"). So long as none of such equity securities shall be saleable in the public market until the expiration of the Standstill Period, the following matters shall not be prohibited by the Standstill Restrictions: (i) the adoption of an equity incentive plan and the grant of awards or equity pursuant to any equity incentive plan, and the filing of a registration statement on Form S-8; and (ii) securities issued pursuant to acquisitions or strategic transactions approved by a majority of the disinterested directors of our Company, provided that such securities are issued as "restricted securities" (as defined in Rule 144) and carry no registration rights that require or permit the filing of any registration statement in connection therewith during the Standstill Period, and provided that any such issuance shall only be to a person or entity (or to the equityholders of an entity) which is, itself or through its subsidiaries, an operating company or an owner of an asset in a business synergistic with the business of our Company and shall provide to our Company additional benefits in addition to the investment of funds, but shall not include a transaction in which our Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in securities. In no event should any equity transaction during the Standstill Period result in the sale of equity at an offering price to the public less than that of this offering.

### **Right of First Refusal**

If, for the period beginning on the Closing and ending thirty-six (36) months after the commencement of sales in the offering, we or any of our subsidiaries (a) decides to finance or refinance any indebtedness, Aegis (or any affiliate designated by Aegis) shall have the right to act as sole book-runner, sole manager, sole placement agent or sole agent with respect to such financing or refinancing; or (b) decides to raise funds by means of a public offering (including at-the-market facility) or a private placement or any other capital raising financing of equity, equity-linked or debt securities, Aegis (or any affiliate designated by Aegis) shall have the right to act as sole book-running manager, sole underwriter or sole placement agent for such financing. If Aegis or one of its affiliates decides to accept any such engagement, the agreement governing such engagement will contain, among other things, provisions for customary fees and terms for transactions of similar size and nature, including indemnification, which are appropriate to such a transaction.

---

S-19

Notwithstanding the foregoing, the decision to accept our engagement shall be made by Aegis or one of its affiliates, by a written notice to us, within ten (10) Business Days after the receipt of our notification of financing needs, including a detailed term sheet. Aegis's determination of whether in any case to exercise its right of first refusal will be strictly limited to the terms on such term sheet, and any waiver of such right of first refusal shall apply only to such specific terms. If Aegis waives its right of first refusal, any deviation from such terms shall void the waiver and require us to seek a new waiver from the right of first refusal.

### **Tail Financing**

Aegis shall be entitled to compensation with respect to any public or private offering or other financing or capital raising transaction of any kind ("Tail Financing") to the extent that such financing or capital is provided to us by investors Aegis has introduced to us and/or contacted on our behalf through an in-person, electronic or telephonic communication or investors that Aegis had "wall-crossed" in connection with this offering (or any entity under common management or having a common investment advisor), if such Tail Financing is consummated at any time within the twelve (12) month period beginning on the Closing or the expiration or termination of engagement letter between Aegis and us dated February 4, 2025.

### **Other Relationships**

The underwriter is a full service financial institution engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The underwriter may in the future provide various investment banking, commercial banking and other financial services for us and our affiliates for which they may in the future receive customary fees.

In the ordinary course of its business activities, the underwriter and its affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively traded securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the issuer (directly, as collateral securing other obligation or otherwise) publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

On October 2024, we entered into an At-The-Market Issuance Sales Agreement (the "ATM Agreement") with Aegis pursuant to which we may sell from time to time through Aegis, as sales agent and/or principal, shares of the Company's common stock with an aggregate sales price of up to \$100 million. Aegis will be paid a commission of 3.5% of the gross proceeds of the sale of the shares sold pursuant the ATM Agreement. In addition, we agreed to reimburse Aegis for its reasonable and documented out-of-pocket expenses in an amount equal to \$75,000. The Company has also agreed to indemnify Aegis against certain liabilities.

In July 2024, we entered into a securities purchase agreement with certain institutional investors pursuant to which we agreed to issue and sell to the investors in a private placement (i) shares of common stock and Pre-Funded Warrants to purchase shares of common stock. Aegis acted as exclusive placement agent for the private placement, and received upon closing cash compensation of 8.0% of the private placement, a non-accountable expense allowance equal to 1.0% of the private placement and expense reimbursement of \$100,000.

In May 2024, we entered into a securities purchase agreement with certain institutional investors pursuant to which we agreed to issue and sell to the Investors in a private placement (i) senior non-convertible notes in an aggregate principal amount of \$2,942,352.00 (the "May 2024 Notes"), and (ii) five-year warrants to purchase Company common stock (the "May 2024 Warrants"). Aegis acted as exclusive placement agent for the private placement, and received upon closing cash compensation of 7.2% of the private placement, and expense reimbursement of \$50,000.

---

S-20

In November 2023, we entered into an underwriting agreement (the “November 2023 Underwriting Agreement”) with Aegis, in connection with a firm commitment underwritten public offering (the “November 2023 Offering”) of (i) common units (“November 2023 Common Units”), each consisting of one share of common stock, 0.35 of a warrant to purchase one share of common stock (at an exercise price of 130% of the price of each Common Unit sold in the November 2023 Offering) or pursuant to an alternative cashless exercise option, which warrant will expire on the five-year anniversary of the original issuance date (the “November 2023 Series A Warrants”) and 0.35 of a warrant to purchase one share of common stock (at an exercise price of 200% of the price of each Common Unit sold in the November 2023 Offering), which warrant will expire on the five-year anniversary of the original issuance date (the “November 2023 Series B Warrants”); and (ii) pre-funded units (the “November 2023 Pre-funded Units”) and together with the November 2023 Common Units, the “November 2023 Units”), each consisting of one pre-funded warrant to purchase one share of common stock (the “November 2023 Pre-funded Warrants”), 0.35 of a November 2023 Series A Warrant and 0.35 of a November 2023 Series B Warrant. In connection with the November 2023 Offering, Aegis received an underwriting discount of 8.0% to the public offering price for the November 2023 Units. In addition, we agreed to (a) pay a non-accountable expense allowance to the Underwriter equal to 1.0% of the gross proceeds received in the November 2023 Offering and (b) to reimburse the Underwriter for certain out-of-pocket expenses, including, but not limited to, up to \$100,000 for reasonable legal fees and disbursements for the Underwriter’s counsel.

In September 2023, Aegis served as the underwriter in connection with a public offering (the “September 2023 Offering”) of shares of our common stock pursuant to an underwriting agreement between Aegis and us (the “September 2023 Underwriting Agreement”) containing standard terms, including standstill provisions. The Offering closed on September 18, 2023, and we received net proceeds of approximately \$571,000 after deducting underwriting discounts and commissions and estimated expenses payable by us associated with the Offering. Under the terms of the September 2023 Underwriting Agreement, Aegis received an underwriting discount of 4.0% to the public offering price. Pursuant to the September 2023 Underwriting Agreement, the Company also issued to Aegis or its designees warrants to purchase up to 20.0% of the aggregate number of shares issued in the Offering with an exercise price equal to 125% of the offering price, subject to adjustments. In addition, the Company agreed to reimburse the Aegis’s fees and expenses of \$50,000.

On September 29, 2023, we entered into a warrant inducement agreement with holders of August 2022 and May 2023 convertible note offerings (the “Investors”). In connection with this agreement, we lowered the exercise price of certain warrants to purchase our common stock and the Investor exercised these warrants and paid us \$537,250. In addition, we issued new warrants (“New Warrants”) to purchase our common stock. The New Warrants can be exercised for unregistered shares of our common stock and expire on August 24, 2027. On October 3, 2023, we entered into a waiver agreement with Aegis (the “Waiver”) pursuant to which Aegis agreed to waive the standstill provisions of the September Underwriting Agreement in connection with the issuance of the New Warrants to GLV Ventures. The Waiver is limited solely to the proposed issuance of the New Warrants to GLV Ventures. Aegis is not a party to the warrant inducement agreement, and will not receive any compensation in connection with the warrant inducement agreement, the issuance of the New Warrants or the Waiver.

### ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, or the SEC, utilizing a “shelf” registration process. Under this shelf registration process, we may sell the securities described in this prospectus in one or more offerings up to a total dollar amount of \$200,000,000.

We have provided to you in this prospectus a general description of the securities we may offer. Each time we sell securities under this shelf registration process, we will provide a prospectus supplement that will contain specific information about the terms of that offering. That prospectus supplement may include additional risk factors or other special considerations applicable to the securities being offered. We may also add, update or change in the prospectus supplement any of the information contained in this prospectus. To the extent there is a conflict between the information contained in this prospectus and the prospectus supplement, you should rely on the information in the prospectus supplement, provided that if a statement in any document is inconsistent with a statement in another document having a later date - for example, a document incorporated by reference in this prospectus or any prospectus supplement - the statement in the document having the later date modifies or supersedes the earlier statement. You should read both this prospectus and the prospectus supplement together with the additional information described under “Where You Can Find More Information.”

**THIS PROSPECTUS MAY NOT BE USED TO CONSUMMATE A SALE OF SECURITIES UNLESS IT IS ACCOMPANIED BY A PROSPECTUS SUPPLEMENT.**

The registration statement containing this prospectus, including the exhibits to the registration statement, provides additional information about us and the securities

offered under this prospectus. The registration statement, including the exhibits, can be read at the SEC website or at the SEC offices mentioned under the heading “Where You Can Find More Information.”

You should rely only on the information incorporated by reference or provided in this prospectus and the accompanying prospectus supplement. We have not authorized anyone to provide you with different information. We are not making an offer to sell or soliciting an offer to buy these securities in any jurisdiction in which the offer or solicitation is not authorized or in which the person making the offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make the offer or solicitation. You should not assume that the information in this prospectus or the accompanying prospectus supplement is accurate as of any date other than the date on the front of the document.

Unless the context requires otherwise, references to the “Company,” “we,” “our,” and “us,” refer to Volcon, Inc. and its subsidiaries, except that such terms refer to only Volcon, Inc. and not its subsidiaries in the sections entitled “Description of Common Stock,” “Description of Preferred Stock,” “Description of Warrants,” “Description of the Debt Securities,” and “Description of the Stock Purchase Contracts and Stock Purchase Units.”

## OUR COMPANY

We are an all-electric, off-road powersports vehicle company developing and building electric two and four-wheel motorcycles and utility terrain vehicles (UTVs), also known as side-by-sides, along with a complete line of upgrades and accessories. In October 2020, we began building and testing prototypes for our future offerings with two off-road motorcycles – the Grunt and the Runt. Our motorcycles feature unique frame designs protected by design patents. Additional utility and design patents have been filed for other aspects of Volcon’s vehicles.

We initially began to sell and distribute the Grunt and related accessories in the U.S. on a direct-to-consumer sales platform. We terminated our direct-to-consumer sales platform in November 2021. Prior to the termination of our direct-to-consumer sales platform, U.S. customers made deposits for 360 Grunts (net of cancellations) and five Runts, plus accessories and a delivery fee representing total deposits of \$2.2 million. These orders were cancelable by the customer until the vehicle was delivered and after a 14-day acceptance period, therefore the deposits were recorded as deferred revenue. As of June 30, 2022, we had completed shipping of all Grunts sold through our direct-to-consumer sales platform. Due to delays in developing the Runt, we refunded the deposits made for all Runts.

Beginning in November 2021, we began negotiating dealership agreements with powersports dealers to display and sell our vehicles and accessories. Customers can now, or will soon be able to, buy our vehicles and accessories directly from a local dealership. Some of these dealers will also provide warranty and repair services to customers. Through December 31, 2022, we have entered into 151 dealership agreements. Upon sale of a Grunt the dealer may order an additional Grunt. We also expect to be able to offer the dealers a financing option, or “floor plan” to make larger purchases of our vehicles but we do not currently have this financing option available. We have agreements with third-party financing companies to provide financing to qualified customers of each dealer. There is no recourse to the Company or the dealer if the dealer’s customer defaults on the financing agreement with this third-party.

As of December 31, 2022, we have signed agreements with five importers in Latin America and one importer for the Caribbean Region, collectively referred to herein as the LATAM importers to sell our vehicles and accessories in their assigned countries/markets. In June 2022 we signed an exclusive distribution agreement with Torrot Electric Europa S.A., referred to herein as Torrot, to distribute their electric motorcycles for youth riders in Latin America. We will use our LATAM importers to sell Torrot’s products in Latin America.

In October 2022, we signed an expanded agreement with Torrot to also be the exclusive distributor of Torrot and Volcon co-branded youth electric motorcycles in the United States as well as Latin America. This agreement supersedes the original Torrot agreement and once all Torrot branded inventory is sold, we will no longer distribute Torrot branded motorcycles. Finally, in December 2022 we signed an expanded agreement with Torrot to be the exclusive distributor of Volcon co-branded youth electric motorcycles in Canada.

We expect to expand our global sales of our vehicles and accessories beyond our current LATAM importer base. We expect to sign more LATAM importers in 2023 and expect to begin selling in Canada, Europe and Australia in 2023. We expect export sales to be executed with individual importers in each country that buy vehicles by the container. Each importer will sell vehicles and accessories to local dealers or directly to customers. Local dealers will provide warranty and repair services for vehicles purchased in their country.

2

In July 2022, we expanded our offerings with the introduction of the first of our Volcon Stag UTV models, the Stag, which we anticipate will be available for delivery in the first half of 2023, followed by additional models of the Stag expected in 2024 and 2025 and the introduction of a higher performance, longer range UTV (to be named) which we expect to begin delivering in 2025. The Stag will be manufactured by a third-party and incorporate electrification units, which include batteries, drive units and control modules provided by General Motors. Beginning in June 2022 we have taken non-binding pre-production orders which are cancelable prior to delivery.

Through August 2022 we assembled the Grunt in a leased production facility in Round Rock, Texas. In August 2022 we announced that we will outsource the manufacturing of the Grunt to a third-party manufacturer, which we anticipate will reduce costs and improve profitability on the Grunt and began receiving Grunts from this manufacturer in January 2023. We also outsourced the manufacturing of the 2023 Grunt EVO to the same third-party manufacturer. The 2023 Grunt EVO will replace the Grunt and has a belt drive rather than a chain drive as well as an updated rear suspension.

In September 2022, we reduced our headcount in our product development and administration departments as we outsourced the design and development of certain components of our vehicle development. We also hired our Chief Marketing Officer and expect to hire additional sales and marketing employees and increase marketing activities to further support our brand and products.

We began taking pre-orders for an E-Bike, the Brat, in September 2022 and shipments to customers began in the fourth quarter of 2022. In February 2023, we began selling the Brat directly to consumers through our website. Consumers who order the Brat from our website will have the option to have the Brat shipped to their specified destination or to have it shipped to a dealer where they can pick it up. The Brat is being manufactured by a third-party.

In November 2022 we finalized an agreement for a third-party to manufacture the Runt. We expect to receive prototypes of the Runt in the first quarter of 2023 and to begin sales in the second quarter of 2023.

The estimated fulfillment of all orders we have received to date assumes that our third-party manufacturers can successfully meet our order quantities and deadlines. If they are unable to satisfy orders on a timely basis, our customers may cancel their orders.

#### **Implications of Being an Emerging Growth Company**

We qualify as an “emerging growth company” as the term is used in The Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), and therefore, we may take advantage of certain exemptions from various public company reporting requirements, including:

- a requirement to only have two years of audited financial statements and only two years of related selected financial data and management’s discussion and analysis;
- exemption from the auditor attestation requirement on the effectiveness of our internal controls over financial reporting;
- reduced disclosure obligations regarding executive compensation; and
- exemptions from the requirements of holding a non-binding advisory stockholder vote on executive compensation and any golden parachute payments.

We may take advantage of these provisions for up to five years or such earlier time that we are no longer an emerging growth company. We would cease to be an emerging growth company if we have more than \$1.235 billion in annual revenues, have more than \$700.0 million in market value of our capital stock held by non-affiliates or issue more than \$1.0 billion of non-convertible debt over a three-year period. We may choose to take advantage of some, but not all, of the available benefits of the JOBS Act. We have taken advantage of some of the reduced reporting requirements in this prospectus. Accordingly, the information contained herein may be different than the information you receive from other public companies in which you hold stock. In addition, the JOBS Act provides that an emerging growth company can delay adopting new or revised accounting standards until such time as those standards apply to private companies. We have elected to avail ourselves of this exemption from new or revised accounting standards and, therefore, we will not be subject to the same new or revised accounting standards as other public companies that are not emerging growth companies.

All forward-looking statements address matters that involve risk and uncertainties, and there are many important risks, uncertainties and other factors that could cause our actual results to differ materially from the forward-looking statements contained in this prospectus, and the documents we incorporate by reference.

You should also consider carefully the statements under “Risk Factors” and other sections of this prospectus, and the documents we incorporate by reference, which address additional facts that could cause our actual results to differ from those set forth in the forward-looking statements. We caution investors not to place significant reliance on the forward-looking statements contained in this prospectus, and the documents we incorporate by reference. We undertake no obligation to publicly update or review any forward-looking statements, whether as a result of new information, future developments or otherwise.

## DESCRIPTION OF COMMON STOCK

### Authorized Capital Stock

Our amended and restated certificate of incorporation authorizes us to issue 105,000,000 shares of capital stock consisting of 100,000,000 shares of common stock, par value \$0.00001 per share and 5,000,000 shares of preferred stock, par value \$0.00001 per share.

As of March 14, 2023, there were 24,615,119 shares of our common stock issued and outstanding. As of such date, there were no shares of our preferred stock issued and outstanding.

Shares of our common stock have the following rights, preferences and privileges:

#### *Voting*

Each holder of common stock is entitled to one vote for each share of common stock held on all matters submitted to a vote of stockholders. Any action at a meeting at which a quorum is present will be decided by a majority of the voting power present in person or represented by proxy, except in the case of any election of directors, which will be decided by a plurality of votes cast. There is no cumulative voting.

#### *Dividends*

Holders of our common stock are entitled to receive dividends when, as and if declared by our board of directors out of funds legally available for payment, subject to the rights of holders, if any, of any class of stock having preference over the common stock. Any decision to pay dividends on our common stock will be at the discretion of our board of directors. Our board of directors may or may not determine to declare dividends in the future. The board’s determination to issue dividends will depend upon our

profitability and financial condition, any contractual restrictions, restrictions imposed by applicable law and the SEC, and other factors that our board of directors deems relevant.

#### *Liquidation Rights*

In the event of a voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of our common stock will be entitled to share ratably on the basis of the number of shares held in any of the assets available for distribution after we have paid in full, or provided for payment of, all of our debts and after the holders of all outstanding series of any class of stock have preference over the common stock, if any, have received their liquidation preferences in full.

#### *Other*

Our issued and outstanding shares of common stock are fully paid and nonassessable. Holders of shares of our common stock are not entitled to preemptive rights. Shares of our common stock are not convertible into shares of any other class of capital stock, nor are they subject to any redemption or sinking fund provisions.

#### **Certificate of Incorporation and Bylaw Provisions**

Our amended and restated certificate of incorporation and bylaws include a number of anti-takeover provisions that may have the effect of encouraging persons considering unsolicited tender offers or other unilateral takeover proposals to negotiate with our board of directors rather than pursue non-negotiated takeover attempts. These provisions include:

*Advance Notice Requirements.* Our bylaws establish advance notice procedures with regard to stockholder proposals relating to the nomination of candidates for election as directors or new business to be brought before meetings of stockholders. These procedures provide that notice of stockholder proposals must be timely and given in writing to our corporate Secretary. Generally, to be timely, notice must be received at our principal executive offices not fewer than 120 calendar days prior to the first anniversary date on which our notice of meeting and related proxy statement were mailed to stockholders in connection with the previous year's annual meeting of stockholders. The notice must contain the information required by the bylaws, including information regarding the proposal and the proponent.

*Special Meetings of Stockholders.* Our bylaws provide that special meetings of stockholders may be called at any time by only the Chairman of the Board, the Chief Executive Officer, the President or the board of directors, or in their absence or disability, by any vice president.

*No Written Consent of Stockholders.* Our amended and restated certificate of incorporation and bylaws provide that any action required or permitted to be taken by stockholders must be effected at a duly called annual or special meeting of stockholders and may not be effected by any consent in writing by such stockholders.

*Amendment of Bylaws.* Our stockholders may amend any provisions of our bylaws by obtaining the affirmative vote of the holders of a majority of each class of issued and outstanding shares of our voting securities, at a meeting called for the purpose of amending and/or restating our bylaws.

*Preferred Stock.* Our amended and restated certificate of incorporation authorizes our board of directors to create and issue rights entitling our stockholders to purchase shares of our stock or other securities. The ability of our board to establish the rights and issue substantial amounts of preferred stock without the need for stockholder approval may delay or deter a change in control of us. See the section titled "[Preferred Stock](#)" below.

#### **Delaware Takeover Statute**

We are subject to Section 203 of the DGCL which, subject to certain exceptions, prohibits a Delaware corporation from engaging in any "business combination" (as defined below) with any interested stockholder for a period of three years following the date that such stockholder became an interested stockholder, unless: (1) prior to such date, the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder; (2) on consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding those shares owned (x) by persons who are directors and also officers and (y) by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to this plan will be tendered in a tender or exchange offer; or (3) on or subsequent to such date, the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 <sup>2</sup>/<sub>3</sub>% of the outstanding voting stock that is not owned by the interested stockholder.

Section 203 of the DGCL defines generally "business combination" to include: (1) any merger or consolidation involving the corporation and the interested stockholder; (2) any sale, transfer, pledge or other disposition of 10% or more of the assets of the corporation involving the interested stockholder; (3) subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder; (4) any transaction involving the corporation that has the effect of increasing the proportionate share of the stock of any class or series of the corporation beneficially owned by the interested stockholder; or (5) the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation. In general, Section 203 defines an "interested stockholder" as any entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation and any entity or person affiliated with or controlling or controlled by such entity or person.

#### **Quotation**

Our common stock is listed on The NASDAQ Capital Market and traded under the symbol "VLCN".

#### **Transfer Agent**

The transfer agent for our common stock is Computershare.

#### **DESCRIPTION OF PREFERRED STOCK**

We are authorized to issue up to 5,000,000 shares of preferred stock. Our amended and restated certificate of incorporation authorizes the board to issue these shares in one or more series, to determine the designations and the powers, preferences and relative, participating, optional or other special rights and the qualifications, limitations and

restrictions thereof, including the dividend rights, conversion or exchange rights, voting rights (including the number of votes per share), redemption rights and terms, liquidation preferences, sinking fund provisions and the number of shares constituting the series. Our board of directors could, without stockholder approval, issue preferred stock with voting and other rights that could adversely affect the voting power and other rights of the holders of common stock which could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from attempting to acquire, a majority of our outstanding voting stock.

## DESCRIPTION OF DEBT SECURITIES

### General

The following description sets forth general terms that will apply to the debt securities. We will describe the particular terms of any debt securities that we offer in the prospectus supplement relating to those debt securities.

The debt securities will be either our senior debt securities or our subordinated debt securities. The senior debt securities will be issued under an indenture between us and the trustee named in the indenture. We refer to this indenture as the "senior indenture." The subordinated debt securities will be issued under a separate Subordinated Indenture between us and the trustee named in the indenture. We refer to this indenture as the "subordinated indenture" and, together with the senior indenture, as the "indentures." Except as permitted by applicable law, the indentures have been or will be qualified under the Trust Indenture Act of 1939.

We have filed the forms of the indentures as exhibits to the registration statement. For your convenience, we have included references to specific sections of the indentures in the descriptions below. Capitalized terms not otherwise defined in this prospectus will have the meanings given in the indenture to which they relate.

---

10

The following summaries of provisions of the debt securities and the indentures are not complete and are qualified in their entirety by reference to the provisions of the indentures and the debt securities.

Neither of the indentures limits the principal amount of debt securities that we may issue. Each indenture provides that debt securities may be issued in one or more series up to the principal amount that we may authorize from time to time. Each indenture also provides that the debt securities may be denominated in any currency or currency unit that we designate. In addition, each series of debt securities may be reopened in order to issue additional debt securities of that series in the future without the consent of the holders of debt securities of that series. Unless otherwise described in the prospectus supplement relating to a particular offering, neither the indentures nor the debt securities will contain any provisions to afford holders of any debt securities protection in the event of a takeover, recapitalization or similar restructuring of our business.

Unless otherwise described in the prospectus supplement relating to a particular offering, the senior debt securities will rank equally with all of our other unsecured and unsubordinated debt. The subordinated debt securities will be subordinated to the prior payment in full of our senior debt securities. We will describe the particular terms of the subordinated debt securities that we offer in the prospectus supplement relating to those subordinated debt securities.

We will describe the specific terms relating to each particular series of debt securities in the prospectus supplement relating to the offering of those debt securities. The terms we will describe in the prospectus supplement will include some or all of the following:

- the title and type of the debt securities;
- the total principal amount or initial offering price of the debt securities;
- the date or dates when the principal of the debt securities will be payable;
- whether we will have the right to extend the stated maturity of the debt securities;
- whether the debt securities will bear interest and, if so, the rate or rates, or the method for calculating the rate or rates, of interest;
- if the debt securities will bear interest, the date from which interest will accrue, the dates when interest will be payable and the regular record dates for these interest payment dates;
- the place where the principal, premium, if any, and interest, if any, on the debt securities will be paid, registered debt securities may be surrendered for registration of transfer, and debt securities may be surrendered for exchange;
- any sinking fund or other provisions that would obligate us to repurchase or otherwise redeem the debt securities;
- the terms and conditions upon which we will have the option or the obligation to redeem the debt securities;
- the denominations in which any registered debt securities will be issuable;
- the identity of each security registrar and paying agent, and the designation of the exchange rate agent, if any, if other than the trustee;

---

11

- the portion of the principal amount of debt securities that will be payable upon acceleration of the maturity of the debt securities;
- the currency used to pay principal, premium, if any, and interest, if any, on the debt securities, if other than U.S. dollars, and whether you or we may elect to have principal, premium and interest paid in a currency other than the currency in which the debt securities are denominated;
- any index, formula or other method used to determine the amount of principal, premium or interest on the debt securities;
- any changes or additions to the events of default, defaults or our covenants made in the applicable indenture;
- whether the debt securities are issuable as registered debt securities or bearer debt securities, whether there are any restrictions relating to the form in which they are issued and whether bearer and registered debt securities may be exchanged for each other;

- to whom interest will be payable
  - if other than the registered holder (for registered debt securities),
  - if other than upon presentation and surrender of the related coupons (for bearer debt securities), or
  - if other than as specified in the indentures (for global debt securities);
- whether the debt securities are to be convertible or exchangeable for other securities and, if so, the terms of conversion or exchange;
- particular terms of subordination with respect to subordinated debt securities; and
- any other terms of the debt securities consistent with the provisions of the applicable indenture.

We may issue debt securities as original issue discount securities to be sold at a substantial discount below their principal amount. If we issue original issue discount securities, then we will describe the material U.S. federal income tax consequences that apply to those debt securities in the applicable prospectus supplement.

#### **Registration and Transfer**

We presently plan to issue each series of debt securities only as registered securities. However, we may issue a series of debt securities as bearer securities, or a combination of both registered securities and bearer securities. If we issue senior debt securities as bearer securities, they will have interest coupons attached unless we elect to issue them as zero coupon securities. If we issue bearer securities, we may describe material U.S. federal income tax consequences and other material considerations, procedures and limitations in the applicable prospectus supplement.

Holders of registered debt securities may present the debt securities for exchange for different authorized amounts of other debt securities of the same series and in the same aggregate principal amount at the corporate trust office of the trustee or at the office of any other transfer agent we may designate for the purpose and describe in the applicable prospectus supplement. The registered securities must be duly endorsed or accompanied by a written instrument of transfer. The agent will not impose a service charge on you for the transfer or exchange. We may, however, require that you pay any applicable tax or other governmental charge. If we issue bearer securities, we will describe any procedures for exchanging those bearer securities for other senior debt securities of the same series in the applicable prospectus supplement. Generally, we will not allow you to exchange registered securities for bearer securities.

In general, unless otherwise specified in the applicable prospectus supplement, we will issue registered securities without coupons and in denominations of \$1,000 or integral multiples, and bearer securities in denominations of \$5,000. We may issue both registered and bearer securities in global form.

#### **Conversion and Exchange**

If any debt securities will be convertible into or exchangeable for our common stock, preferred stock or other securities, the applicable prospectus supplement will set forth the terms and conditions of the conversion or exchange, including:

- the conversion price or exchange ratio;
- the conversion or exchange period;
- whether the conversion or exchange will be mandatory or at the option of the holder or us;
- provisions for adjustment of the conversion price or exchange ratio; and
- provisions that may affect the conversion or exchange if the debt securities are redeemed.

#### **Redemption**

Unless otherwise indicated in the applicable prospectus supplement, we may, at our option, redeem any series of debt securities in whole at any time or in part from time to time. If any series of debt securities are redeemable only on or after a certain date or only upon satisfaction of additional conditions, the applicable prospectus supplement will specify the date or the additional conditions. Unless otherwise specified in the applicable prospectus supplement, the redemption price for debt securities will equal 100% of the principal amount plus any accrued and unpaid interest on those debt securities.

The applicable prospectus supplement will contain the specific terms on which we may redeem a series of debt securities prior to its stated maturity. Unless otherwise described in the prospectus supplement relating to a particular offering, we will send a notice of redemption to holders at least 30 days but not more than 60 days prior to the redemption date. The notice will state:

- the redemption date;
- the redemption price;
- if less than all of the debt securities of the series are being redeemed, the particular debt securities to be redeemed (and the principal amounts, in the case of a partial redemption);
- that on the redemption date, the redemption price will become due and payable and any applicable interest will cease to accrue on and after that date;
- the place or places of payment;

- whether the redemption is for a sinking fund; and
- any other provisions required by the terms of the debt securities of the series that are being redeemed.

On or before any redemption date, we will deposit an amount of money with the trustee or with a paying agent sufficient to pay the redemption price.

Unless otherwise described in the prospectus supplement relating to a particular offering, if we are redeeming less than all the debt securities, the trustee will select the debt securities to be redeemed using a method it considers fair and appropriate. After the redemption date, holders of redeemed debt securities will have no rights with respect to the debt securities except the right to receive the redemption price and any unpaid interest to the redemption date.

#### **Events of Default**

Unless otherwise described in the prospectus supplement relating to a particular offering, an “event of default” regarding any series of debt securities is any one of the following events:

- default for 30 days in the payment of any interest installment when due and payable;
- default in the making of any sinking fund payment when due;
- default in the payment of principal or premium (if any) when due at its stated maturity, by declaration, when called for redemption or otherwise;
- default in the performance of any covenant in the debt securities of that series or in the applicable indenture for 60 days after notice to us by the trustee or by the holders of 25% in principal amount of the outstanding debt securities of that series;
- certain events of bankruptcy, insolvency and reorganization; and
- any other event of default provided with respect to that series of debt securities.

We are required to file every year with each trustee an officers’ certificate stating whether any default exists and specifying any default that exists.

#### **Acceleration of Maturity**

Unless otherwise described in the prospectus supplement relating to a particular offering, if an event of default has occurred and is continuing with respect to debt securities of a particular series (except, in the case of subordinated debt securities, defaults relating to bankruptcy events), the trustee or the holders of not less than 25% in principal amount of outstanding debt securities of that series may declare the principal amount of outstanding debt securities of that series due and payable immediately.

Unless otherwise described in the prospectus supplement relating to a particular offering, at any time after a declaration of acceleration of maturity with respect to debt securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the trustee, the holders of a majority in principal amount of the outstanding debt securities of that series by written notice to us and the trustee, may rescind and annul the declaration and its consequences if:

- we have paid or deposited with the trustee a sum sufficient to pay:
  - all overdue interest on all outstanding debt securities of that series and any related coupons,
  - all unpaid principal of and premium, if any, on any of the debt securities which has become due otherwise than by the declaration of acceleration, and interest on the unpaid principal at the rate or rates prescribed in the debt securities,
  - to the extent lawful, interest on overdue interest at the rate or rates prescribed in the debt securities, and
  - all sums paid or advanced by the trustee and the reasonable compensation, expenses, disbursements and advances of the trustee, its agents and counsel; and
- all events of default with respect to debt securities of that series, other than the non-payment of amounts of principal, interest or any premium on the debt securities which have become due solely by the declaration of acceleration, have been cured or waived.

No rescission will affect any subsequent default or impair any right consequent thereon.

#### **Waiver of Defaults**

Unless otherwise described in the prospectus supplement relating to a particular offering, the holders of not less than a majority in principal amount of the outstanding debt securities of any series may, on behalf of the holders of all the debt securities of the series and any related coupons, waive any past default under the applicable indenture with respect to the series and its consequences, except a default:

- in the payment of the principal of or premium, if any, or interest on any debt security of the series or any related coupon, or
- in respect of a covenant or provision that cannot be modified or amended without the consent of the holder of each outstanding debt security of the series affected thereby.

If an event of default with respect to debt securities of a particular series occurs and is continuing, the trustee will not be obligated to exercise any of its rights or powers under the applicable indenture at the request or direction of any of the holders of debt securities of the series, unless the holders have offered to the trustee reasonable indemnity and security against the costs, expenses and liabilities that might be incurred by it in compliance with the request.

The holders of a majority in principal amount of the outstanding debt securities of any series have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee under the applicable indenture, or exercising any trust or power conferred on the trustee with respect to the debt securities of that series. The trustee may refuse to follow directions in conflict with law or the indenture that may expose the trustee to personal liability or may be unduly prejudicial to the other, non-directing holders. Additionally, the trustee may take any other action the trustee deems proper which is not inconsistent with the direction.

### Modification of Indenture

We and the trustee may, without the consent of any holders of debt securities, enter into supplemental indentures for various purposes, including:

- to evidence the succession of another entity to us and the assumption by the successor of our covenants and obligations under the debt securities and the indenture;
- establishing the form or terms of any series of debt securities issued under the supplemental indentures;
- adding to our covenants for the benefit of the holders or to surrender any of our rights or powers under the indenture;
- adding additional events of default for the benefit of the holders;
- to change or eliminate any provisions of the indenture provided that the change or elimination becomes effective only when there is no debt security outstanding entitled to the benefit of any changed or eliminated provision;
- to secure the debt securities;
- to cure any ambiguities or correct defective or inconsistent provisions of the indenture, provided that holders of debt securities are not materially affected by the change;
- to evidence and provide for acceptance of a successor trustee; and
- to comply with the requirements of the Trust Indenture Act.

We and the trustee may, with the consent of the holders of not less than a majority in principal amount of the outstanding debt securities of all affected series acting as one class, execute supplemental indentures adding any provisions to or changing or eliminating any of the provisions of the indenture or modifying the rights of the holders of the debt securities of the series. Without the consent of the holders of all the outstanding debt securities affected thereby, no supplemental indentures may:

- change the stated maturity of the principal of, or any installment of principal of or interest on, any debt security;
- reduce the principal amount of, the rate of interest on or any premium payable upon the redemption of, or change the manner of calculating the rate of interest on, any debt security;
- reduce the amount of the principal of any original issue discount security that would be due and payable upon acceleration of the maturity of the debt security;
- change the place of payment where, or the currency in which, principal or interest on any debt security is payable;
- impair the right to institute suit for enforcement of payments;
- reduce the percentage in principal amount of the outstanding debt securities of any series, the holders of which must consent to a supplemental indentures or any waiver of compliance with various provisions of, or defaults and covenants under, the indentures; or
- modify any of the provisions described in this section.

### Consolidation, Merger and Sale of Assets

Unless otherwise described in the prospectus supplement relating to a particular offering, as provided in the indentures, we may not consolidate with or merge into any other person, or convey, transfer or lease all or substantially all of our assets to any other person, unless:

- the person surviving or formed by the transaction is organized and validly existing under the laws of any United States jurisdiction and expressly assumes our obligations under the debt securities and the indentures;
- immediately after giving effect to the transaction, no event of default will have occurred and be continuing under the indentures; and
- the trustees under the indentures receive certain officers' certificates and opinions of counsel.

### Satisfaction and Discharge

We may terminate our obligations with respect to debt securities of any series not previously delivered to the trustee for cancellation when those debt securities:

- have become due and payable;
- will become due and payable at their stated maturity within one year; or
- are to be called for redemption within one year under arrangements satisfactory to the indentures trustee for giving notice of redemption.

We may terminate our obligations with respect to the debt securities of a series by depositing with the trustee, as trust funds in trust dedicated solely for that purpose, an amount sufficient to pay and discharge the entire indebtedness on the debt securities of that series. In that case, the applicable indentures will cease to be of further effect, and our obligations will be satisfied and discharged with respect to that series (except our obligations to pay all other amounts due under the indentures and to provide certain officers' certificates and opinions of counsel to the trustee). At our expense, the trustee will execute proper instruments acknowledging the satisfaction and discharge.

### The Trustees

Any trustee may be deemed to have a conflicting interest for purposes of the Trust Indenture Act and may be required to resign as trustee if there is an event of default under the applicable indenture and, as more fully described in Section 310(b) of the Trust Indenture Act, one or more of the following occurs:

- the trustee is a trustee under another indenture under which our securities are outstanding;
- the trustee is a trustee for more than one outstanding series of debt securities under a single indenture;
- we or our affiliates or underwriters hold certain threshold ownership beneficial ownership interest in the trustee;
- the trustee holds certain threshold beneficial ownership interests in us or in securities of ours that are in default;
- the trustee is one of our creditors; or
- the trustee or one of its affiliates acts as an underwriter or agent for us.

We may appoint an alternative trustee for any series of debt securities. The appointment of an alternative trustee would be described in the applicable prospectus supplement.

We and our affiliates may engage in transactions with the trustee and its affiliates in the ordinary course of business.

#### **Governing Law**

Unless otherwise described in the prospectus supplement relating to a particular offering, each of the indentures are, and the related senior debt securities and subordinated debt securities will be, governed by and construed under the internal laws of the State of New York.

#### **DESCRIPTION OF THE WARRANTS**

We may issue warrants to purchase debt securities, preferred stock or common stock. We may offer warrants separately or together with one or more additional warrants, debt securities, shares of preferred stock or common stock, or any combination of those securities in the form of units, as described in the applicable prospectus supplement. If we issue warrants as part of a unit, the prospectus supplement will specify whether those warrants may be separated from the other securities in the unit prior to the warrants' expiration date. We may issue the warrants under warrant agreements to be entered into between us and a bank or trust company, as warrant agent, all as described in the prospectus supplement. If we issue the warrants under warrant agreements, the warrant agent will act solely as our agent in connection with the warrants and will not assume any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants.

We will describe the particular terms of any warrants that we offer in the prospectus supplement relating to those warrants. Those terms may include the following:

- the specific designation and aggregate number of warrants, and the price at which we will issue the warrants;
- the currency or currency units in which the offering price, if any, and the exercise price are payable;
- the date on which the right to exercise the warrants will begin and the date on which the right will expire or, if the warrants are not continuously exercisable throughout that period, the specific date or dates on which they are exercisable;
- whether the warrants will be issued in fully registered form or bearer form, in definitive or global form or in any combination of these forms;
- any applicable material United States federal income tax considerations;
- the identity of the warrant agent, if any, for the warrants and of any other depositaries, execution or paying agents, transfer agents, registrars or other agents;
- the designation, aggregate principal amount, currency, denomination and terms of any debt securities that may be purchased upon exercise of the warrants;
- the designation, amount, currency, denominations and terms of any preferred stock or common stock purchasable upon exercise of the warrants;

- if applicable, the designation and terms of the debt securities, preferred stock or common stock with which the warrants are issued and the number of warrants issued with each security;
- if applicable, the date from and after which the warrants and the related debt securities, preferred stock or common stock will be separately transferable;
- the principal amount of debt securities or the number of shares of preferred stock or common stock purchasable upon exercise of any warrant and the price at which those shares may be purchased;
- provisions for changes to or adjustments in the exercise price;
- if applicable, the minimum or maximum number of warrants that may be exercised at any one time;
- information with respect to any book-entry procedures;
- any anti-dilution provision of the warrants;
- any redemption or call provisions; and

□ any additional terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants.

Each warrant will entitle the holder thereof to purchase such number of shares of common stock or preferred stock or other securities at the exercise price as will in each case be set forth in, or be determinable as set forth in, the applicable prospectus supplement. Warrants may be exercised at any time up to the close of business on the expiration date set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void. Warrants may be exercised as set forth in the applicable prospectus supplement relating to the warrants offered thereby. Upon receipt of payment and the warrant certificate properly completed and duly executed at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement, we will, as soon as practicable, forward the purchased securities. If less than all of the warrants represented by the warrant certificate are exercised, a new warrant certificate will be issued for the remaining warrants.

#### DESCRIPTION OF UNITS

We may issue, in one or more series, units comprised of shares of our common stock or preferred stock, warrants to purchase common stock or preferred stock, debt securities or any combination of those securities. Each unit will be issued so that the holder of the unit is also the holder of each security included in the unit. Thus, the holder of a unit will have the rights and obligations of a holder of each included security.

We may evidence units by unit certificates that we issue under a separate agreement. We may issue the units under a unit agreement between us and one or more unit agents. If we elect to enter into a unit agreement with a unit agent, the unit agent will act solely as our agent in connection with the units and will not assume any obligation or relationship of agency or trust for or with any registered holders of units or beneficial owners of units. We will indicate the name and address and other information regarding the unit agent in the applicable prospectus supplement relating to a particular series of units if we elect to use a unit agent.

We will describe in the applicable prospectus supplement the terms of the series of units being offered, including: (i) the designation and terms of the units and of the securities comprising the units, including whether and under what circumstances those securities may be held or transferred separately; (ii) any provisions of the governing unit agreement that differ from those described herein; and (iii) any provisions for the issuance, payment, settlement, transfer or exchange of the units or of the securities comprising the units.

The other provisions regarding our common stock, preferred stock, warrants and debt securities as described in this section will apply to each unit to the extent such unit consists of shares of our common stock, preferred stock, warrants and/or debt securities.

#### PLAN OF DISTRIBUTION

We may sell the securities covered by this prospectus in one or more of the following ways from time to time:

- to or through underwriters or dealers for resale to the purchasers;
- directly to purchasers;
- through agents or dealers to the purchasers; or
- through a combination of any of these methods of sale.

In addition, we may enter into derivative or other hedging transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. The applicable prospectus supplement may indicate that third parties may sell securities covered by this prospectus and the prospectus supplement, including in short sale transactions, in connection with those derivatives. If so, the third party may use securities we pledge or that are borrowed from us or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of stock. The third party in those sale transactions will be an underwriter and, if applicable, will be identified in the prospectus supplement (or a post-effective amendment thereto).

A prospectus supplement with respect to each series of securities will include, to the extent applicable:

- the terms of the offering;
- the name or names of any underwriters, dealers, remarketing firms, or agents and the terms of any agreement with those parties, including the compensation, fees, or commissions received by, and the amount of securities underwritten, purchased, or remarketed by, each of them, if any;
- the public offering price or purchase price of the securities and an estimate of the net proceeds to be received by us from any such sale, as applicable;
- any underwriting discounts or agency fees and other items constituting underwriters' or agents' compensation;
- the anticipated delivery date of the securities, including any delayed delivery arrangements, and any commissions we may pay for solicitation of any such delayed delivery contracts;

- that the securities are being solicited and offered directly to institutional investors or others;
- any discounts or concessions to be allowed or reallocated or to be paid to agents or dealers; and
- any securities exchange on which the securities may be listed.

Any offer and sale of the securities described in this prospectus by us, any underwriters, or other third parties described above may be effected from time to time in one or more transactions, including, without limitation, privately negotiated transactions, either:

- at a fixed public offering price or prices, which may be changed;

- at market prices prevailing at the time of sale;
- at prices related to prevailing market prices at the time of sale; or
- at negotiated prices.

Offerings of securities covered by this prospectus also may be made into an existing trading market for those securities in transactions at other than a fixed price, either:

- on or through the facilities of the NASDAQ Capital Market or any other securities exchange or quotation or trading service on which those securities may be listed, quoted, or traded at the time of sale; and/or
- to or through a market maker otherwise than on the NASDAQ Capital Market or those other securities exchanges or quotation or trading services.

Those at-the-market offerings, if any, will be conducted by underwriters acting as our principal or agent, who may also be third-party sellers of securities as described above.

In addition, we may sell some or all of the securities covered by this prospectus through:

- purchases by a dealer, as principal, who may then resell those securities to the public for its account at varying prices determined by the dealer at the time of resale or at a fixed price agreed to with us at the time of sale;
- block trades in which a dealer will attempt to sell as agent, but may position or resell a portion of the block as principal in order to facilitate the transaction; and/or
- ordinary brokerage transactions and transactions in which a broker-dealer solicits purchasers.

Any dealer may be deemed to be an underwriter, as that term is defined in the Securities Act of 1933 of the securities so offered and sold.

In connection with offerings made through underwriters or agents, we may enter into agreements with those underwriters or agents pursuant to which we receive our outstanding securities in consideration for the securities being offered to the public for cash. In connection with these arrangements, the underwriters or agents also may sell securities covered by this prospectus to hedge their positions in any such outstanding securities, including in short sale transactions. If so, the underwriters or agents may use the securities received from us under those arrangements to close out any related open borrowings of securities.

We may loan or pledge securities to a financial institution or other third party that in turn may sell the loaned securities or, in any event of default in the case of a pledge, sell the pledged securities using this prospectus and the applicable prospectus supplement. That financial institution or third party may transfer its short position to investors in our securities or in connection with a simultaneous offering of other securities covered by this prospectus.

We may solicit offers to purchase the securities covered by this prospectus directly from, and we may make sales of such securities directly to, institutional investors or others, who may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of such securities.

The securities may also be offered and sold, if so indicated in a prospectus supplement, in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more remarketing firms acting as principals for their own accounts or as agents for us.

If indicated in the applicable prospectus supplement, we may sell the securities through agents from time to time. We generally expect that any agent will be acting on a "best efforts" basis for the period of its appointment.

If underwriters are used in any sale of any securities, the securities may be either offered to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. Unless otherwise stated in a prospectus supplement, the obligations of the underwriters to purchase any securities will be conditioned on customary closing conditions, and the underwriters will be obligated to purchase all of that series of securities, if any are purchased.

Underwriters, dealers, agents, and remarketing firms may at the time of any offering of securities be entitled under agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments that the underwriters, dealers, agents, and remarketing firms may be required to make. Underwriters, dealers, agents, and remarketing agents may be customers of, engage in transactions with, or perform services in the ordinary course of business for us and/or our affiliates.

Any underwriters to whom securities covered by this prospectus are sold by us for public offering and sale, if any, may make a market in the securities, but those underwriters will not be obligated to do so and may discontinue any market making at any time without notice.

## LEGAL MATTERS

ArentFox Schiff LLP, Washington, DC, will pass upon the validity of the securities offered by this prospectus for us. Legal matters will be passed upon for any underwriters, dealers or agents by counsel named in the applicable prospectus supplement.
